## ← About

### Welcome to flex

Thank you for choosing flex as your self care application. we have formulated this Acceptable Use Policy(AUP) in order to encourage the responsible use of our networks, systems, services and products. We are committed to protect the customers, internet community and the company itself from damaging actions by individuals.

### Privacy of data

Data transfer through internet in general is not confidential. Flex team cannot guarantee the privacy, protection or integrity of such data. Flex make no guarantee regarding and assume no liability for the security and integrity of any data transmitted by user via service.

### Disclaimer

Flex does not guarantee the service will be uninterrupted or error free. Flex team will provide a good effort in good faith to ensure that its services are available as much as possible with minimal interruptions

### Illegal use

While it is not our intent to control or monitor your experience, we may edit or remove content that we deem to be in violation of the AUP or that we otherwise
